

doll and silence

No more bread?

Dad?

What is it, dear?

need to go out

before dinner

What for?

No big deal.

Just that I forgot to

buy the cleaning products.

Are you going by yourself Marcela?

Yes dad. I'll be quick.

Tell your brothers to take you there.

No dad. There's no need.

They'll just get on my case about it.

I'll go by myself.

It'll be fast.

I can sew that up for you later.

It's so nice lying here with you,

you know?

And you say I'm the sleepyhead.

- My head fits perfect right here.

What are you thinking about?

About you.

Wow! I didn't know I was all that.

Don't be stupid.

Feel like having a little more fun?

I have to go, okay?

What happened?

I can't think straight.

You know what's going on at home.

My brother's out of work again.

He doesn't want to work.

I asked my boy if he's got a job

for him and he doesn't.

He's got nothing to do. Got it?

He comes home at night, gets on the phone

and starts yelling at his wife,

saying he's not going

to pay for diapers,

he won't take her to the clinic,

he won't do shit.

Plus you know that girl

is just a mooch, right?

She doesn't go to school,

doesn't have a job,

thinks she's all that living off

of other people's money.

She's got it easy, huh?

What's this?
I went there
to talk to a nurse.
And she said with a doctor,
it costs R\$3000.
Do you have any idea
how much money that is?
Marcela.
Three thousand!
Are you nuts?
Just like that?
I know João! But that's
what it costs for a doctor.
How am I supposed to
come up with this money?
I don't know what to do.
What am I going to do?
Ask my father?
Try to get him to cover it?
It's three thousand...
Is that coffee fresh, Marcela?
- The coffee in the thermos?
- Yeah.
No dad, it's from yesterday.
But I could make more,
if you want.
Leave the door open.
João, it doesn't have to be this way.
We don't have to...
I would do anything for this kid!
João...
Do you know how much
I fucking love you?
Little girl?
Hey...
time to wake up,
sleepyhead!
Time to get up and
go to the park and play...
- I'm sleepy...
- You're sleepy?
But don't you want to go to the park?
Let's go to the park...
Okay, but let's go later.
Later no. Come on!
- Look who wants to go the park.

- Why can't we go later?
Your doll here, look.
Let's go to the park!
Let's go out. You can sleep

plenty later on.

- Have some ice cream.

- I'm tired.

You're tired?

I can't believe you're tired!

Tired from sleeping so much?

- Mm-hmm.

- Yeah?

Then rest right here on
mommy's lap. Just a little.

Ten seconds.

Two minutes.

Let the doll rest,

she's tired too.

Damn, and it had to be now, huh?

When we're in this

tough situation together.

and should be there

to help one another.

Goddammit, I know things are fucked up!

And now you wanna break up?

You wanna be alone?

What I want is to start a family with you.

Okay?

To take care of you.

Take care of the baby.

Be a family.

For what?

For me to turn into one

of those mooches?

The kind that lives off

of other people's money?

Just like your brother's family?

Will you help me tomorrow?
